Understanding our Impact Score

1. Analyses

The analyses are written by an active community of writers that went through a rigorous training process. Each analysis is reviewed by our team of editors being published.

2. Ratings

Then the community rates each analysis according to 2 dimensions: value and scale.

Value

3. Value & Scale

Value: how positive or negative the impact is described in the analysis. **Scale:** how small or large the impact is described, taking into account the breadth, depth and persistence, as defined by the Impact Management Project.

Scale

4. Final Score
