 /39 Rank in industry

Koninklijke Philips N.V. operates as a health technology company in North America and internationally. It operates through Diagnosis & Treatment, Connected Care, and Personal Health segments. It provides magnetic resonance imaging, computed tomography, advanced molecular imaging, diagnostic X-ray, and imaging components, as well as integrated clinical solutions; integrated interventional systems; imaging products focused on diagnosis, treatment planning and guidance for cardiology, general imaging, obstetrics/gynecology, and point-of-care applications; proprietary software to enable diagnostics and intervention; and enterprise diagnostic informatics products and services. The company also offers monitoring and analytics solutions; sleep and respiratory care solutions; emergency care and resuscitation, and patient management solutions; data, analytics, and actionable workflow solutions; and connected care informatics solutions. In addition, it provides power toothbrushes, brush heads, and interdental cleaning and teeth whitening products; infant feeding and digital parental solutions; male grooming and beauty products and solutions; and kitchen appliances, home care, and garment care products, as well as coffee machines. Koninklijke Philips N.V. has a partnership with openDoctor to deliver an integrated radiology patient engagement platform that leverages openDoctor's real-time online appointment scheduling services as part of its patient management solution; and a strategic collaboration with Ibex Medical Analytics Ltd. to jointly promote the digital pathology and AI solutions to hospitals, health networks, and pathology laboratories worldwide, as well as a strategic partnership agreement with NICO.LAB. The company was formerly known as Koninklijke Philips Electronics N.V. and changed its name to Koninklijke Philips N.V. in May 2013. Koninklijke Philips N.V. was founded in 1891 and is headquartered in Amsterdam, the Netherlands. (Source: Yahoo Finance)

Business Ethics	 16	Over the last 3 years (2018-20), Philips has contributed around USD 923 Mn in corporate taxes	+2.50 	1.00 	10 

# Understanding our Impact Score

## 1. Analyses

The analyses are written by an active community of writers that went through a rigorous training process. Each analysis is reviewed by our team of editors being published.

## 2. Ratings

Then the community rates each analysis according to 2 dimensions: value and scale.

Value

## 3. Value & Scale

**Value:** how positive or negative the impact is described in the analysis. **Scale:** how small or large the impact is described, taking into account the breadth, depth and persistence, as defined by the Impact Management Project.

Scale

## 4. Final Score

The analyses are written by an active community of writers that went through a rigorous training process. Each analysis is reviewed by our team of editors being published.
